---

As part of University of Tennessee's commitment to international travelers, a service is available to provide global medical, security and emotional support assistance through **International SOS** **(ISOS)**. Travelers are strongly encouraged to take advantage of this **complimentary service** by printing and carrying the International SOS Membership Card with you at all times when traveling abroad, as well as downloading the Assistance App. Additionally, all UT faculty, staff, and students traveling abroad on university-approved trips are automatically covered by a blanket international travel insurance policy underwritten by Chubb Insurance with 24/7 travel assistance services provided by International SOS. This Chubb Insurance policy covers sponsored trips, study abroad programs, research, independent study and internship.

**Learn more** about this service **on Tuesday, October 25 at 2 pm eastern.** In this 1.5 hour session representatives from UT Risk Management and ISOS will review how travelers can leverage this service and address questions. **Zoom details included in the attached calendar invitation**.

Visit the new UT Risk Management International Travel Insurance and Assistance page for more details.

If you have questions about the listserv or need assistance using the Concur platform, please contact the travel team.
