Happy new year travelers!

The State of Tennessee just confirmed that as of January 1, 2023, the car mileage reimbursement rate increased from the previous rate of $0.625 per mile to the new IRS standard of $0.655 per mile for employees using a personally owned automobile for business travel per UT FI0705 – Travel policy. This update is reflected in Concur and no action is necessary for travelers. Please note that this change does not impact employees using courtesy cars.

Visit the Travel FAQ knowledge base at https://travelFAQ.tennessee.edu for guidance on submitting mileage claims.

If you have questions about this change or need assistance using the Concur platform, please contact the travel team at travel@tennessee.edu.
